“ *I Tracy William Piscitell's daughter have memory of Robyn comming to my house with these beautiful pink pillows she made me for my bed. I was about 8. And going out to her home in Fayetteville for Xmas with all of our family. Thank you for the memories. I have from when I was a little girl. Fly high with my dad thank you so much for being next to my dad and comming to see him while you were sick yourself. Amen*
