My friend Junior, I feel as though I'll let you down because I wasn't there to pray with you in your time of struggle.

Please dont feel that way. He knew God, he had him in his heart. He struggled with this and as much as we all miss him he wouldn't want us to feel guilty.

“ *Sending my deepest condolences to Junior's family, especially his children....and to everyone that this precious loss has affected. Junior, I wish I could tell you that you had real friends...all you had to do was reach out. I'm so sorry that I didn't tell you that the last time I saw you. It was great to see you & dance with you at our friends' wedding reception last December. You will be missed.*
