“ Noe:
Estamos orando todos para que Dios te ayude y les de fortaleza a ti y a tus hijos. No pude viajar como quería para estar contigo, pero creeme que quería estar contigo en estos tan duros momentos. Se fuerte, recuerda que tienes unos hijos que te aman y ahora dependen enteramente de ti.

Dios los bendiga,

“ I would like to express my deepest condolences to Rosa's entire family. Rosa and I worked closely together for several years and family meant everything to her. Rosa was a very hard worker and her personality was like a bright shooting star. There was never a dull day around Rosa and everyone would attest to that. I can hear her voice in my head saying, "Denny (as she affectionately called me) let's doooo this madre... Let's get this day started!!" Rosita, Rosey (as I affectionately called her) you will be truly missed. Fly high my friend you are now one of Gods precious angels.

“ To the Zambrano family,
I am so sorry to hear of Rosa’s death and I want to express my/our most sincere sympathies to you and the family during this difficult time from the team here at Health Information Management. Your wife was a highly valuable and respected member of our team here and the effects of her passing are already being felt here by her fellow employees.

Rosa was a wonderful employee who understood the meaning of the word “team.” She was always more focused on the good of the department than on her own benefit. She made many great contributions to the department and helped it move forward in numerous ways. Her work here will not soon be forgotten.

Please accept my sincere condolences for you and the family. Rosa was a remarkable woman and everyone at H.I.M./FLDOH is better for having known her. For those of us that had the privilege of calling her “friend” outside of work, we were humbled by her kindness and compassion to everyone around her. She will be greatly missed and everyone here is saddened by her death. Know that our thoughts and prayers are with you and the rest of her family and friends during this difficult time.

With sincere sympathy, The Staff at Health Information Management/

Orange County Health Department
