“ Ohhhh Rosalie. Such sad news I read today. I had the pleasure with assisting them in a couple matters not too long ago here in NY, in addition to being their neighbor once upon a time. Having bought the property I currently live on today from them. Such a wonderful and pleasant woman. Both her and Earl. I hope her final days were in the presence of her beloved Earl, hand in hand. 20 years in Florida.... boy did that fly by. Sending thoughts and love to the heavens for you Rosalie and to Earl, I hope you find the strength in your family and friends to smile, laugh and speak of Rosalie as often as you can!!!! Hold on to every single memory as tight as you can.
