Sandra Roe, 75, passed away on September 3, 2025. Born May 13, 1950, Sandra was a strong, independent woman who lived on her own for many years and met life's changes with resilience and curiosity.

A true lifelong learner, Sandra was a master of trades and never hesitated to try something new—both in her career and in her life. She will be remembered for her independence, her inventive spirit, and the quiet strength she offered her family.
