“ *My prayers are with Sue's family. I've known Sue since 1984 when we both worked at VNA of Hardee County. She was a true friend and never had anything bad to say about anyone. We will miss Sue at work. I know her friends and loved ones will grieve for her, but the precious memories we have of her will always be in our hearts. For her family and friends, I pray you will find peace and comfort knowing she touched so many lives and we are all better people for her influence over the years. May God give you peace and comfort.*
