

Susannah Lynne Melnyczok

July 21, 1956 - August 23, 2020

Susannah Lynne Melnyczok, 64, a resident of Arcadia

since 2007 passed away on Sunday, August

23, 2020 at Fawcett Memorial Hospital. Susannah was born in Elkins, West

Virginia on July 21, 1956. She worked as a registered nurse until 2006. She lived in Florida for most of her life, she loved the beach and everyone who knows Susie knows she loved turtles.

She was preceded in death by her parents, Robert and Betty

Fuhrman and her daughter, Ashley Nicole Melnyczok. Ashley was her birthday present as she was born July 21, 1987.

Survivors include her daughter, Justyna Susanne Melnyczok Kroth of Rosemount,

MN; sisters, Dana Lee Cales of Englewood, FL; Christine Louise Smith of Old

Fields, West Virginia. As well as grandchildren, Mandelina Lynne Aughenbaugh of Colorado Springs, and Haydon, Harrison, Tyson Kroth of Rosemount, Minnesota. She would call Harry and Tyson her Minnesota Twins.

There was nothing more in this world that mattered to Susannah besides her daughters and her grandchildren. However, her animals were a close second! She left behind her dog two-tone, three cats, and a tortoise named Sugar.

She touched so many lives in her short time here on earth. She could meet a complete

stranger and befriend them instantly, that was just the type of personality she had. She will be missed by so, so many. Susannah loved her little town of Arcadia and she would absolutely love it if you could donate to their local humane society in her memory.

In lieu of flowers donations
can be made to the Desoto

Humane Society in Susannah's honor. Desoto County Animal Control: 863-993-4855

“ Suzie was a friend of mine and former neighbor outside of Elkins many years ago. She was really kind and had a great sense of humor. May she rest in peace. Prayers for all the family and friends.

“ I grew to know Susie when we were teenagers, living on Chenoweth Creek. She had the most open, loving and joyful heart! Susie welcomed and accepted everyone, had a quick laugh, and was one of the dearest people I have ever had the blessing to know.

“ I am the oldest sister. Susannah was the baby named after my doll. I remember carrying Susie around when she was a toddler. She had beautiful, white blonde hair. Susie loved her nursing career and helping people. She was so proud of her daughters and grandchildren. She had a turtle once named Sam. She actually taught him to do tricks!
She loved and cared for her animals. I love you, Sis, and miss you! 🙏🙏
