“ Terry was such a sweetheart. She was so loving and kind. I remember when there was a fundraiser for her in Ft Meade a few years back. Through all the pain she was there with a smile on her face receiving everyone and making sure they had ate. Terry will certainly be missed by her family and friends. Remember through this time of grief that she is NOT hurting anymore and she has a new body; all is well with her now.

*My deepest condolences to her family. I know the shoes you all are walking in way to well. My prayers are with you all. Lean on God and He will carry you through these difficult days to come.*

*Much Love,  
Monica Hernandez and family*
