“ Marty you was the only one who taught me what life was really about. I can do anything because of you. You saw no fear in any task and feared no man. Marty is my uncle and out of 46 years of my life I not one time saw him without his bible. He was rough and tough and spoke is mind as he saw fit. Cussing I think might of been his favorite thing to do. He'd cuss at anyone just to be doing it but as far as saying the GD word that was where he would draw the line. I saw a gang of people say that in front of Marty including me only to realize Marty didn't like you cussing the good lord he would say, you either had to fight or apologize. We all are not perfect and for the ones who judged Marty in a bad way your wrong his heart was of compassion. Especially towards animals.
