“ I only met Mr. Lynn once, but, I know his legacy, in two of his boys, that are really Good and Caring men. I know he gave LOVE, because I see the way his son Terry gives it back to him, moving onto the property, driving him wherever he wanted to go, even out-of-state..... Terry and Frankie have always treated me with respect. They have a lot of positive Character traits that had to be learned from a young age. Enjoy Heaven, Mr. Lynn, and thank you for making the world a better place, for your passing through it.

“ My Father loved his children and grandchildren, I remember him stopping by and all way brought my children fruit. Dad loved to fish and I think he never really cared if he caught A fish, he just loved being on the water.

“ My Daddy has gone home to be with our Lord and Savior now. I know he is surrounded by loved ones that went before him. His body is at peace and his spirit is free to rejoice with our Father. He was a simple man with so much love for everyone, not just family. Family was the most important part of his life. He loved to travel but his many many travels were always planned around visiting family along the way. He was the first man I ever loved. He will be loved and missed until I go home and see him again. I love you Dad and I will miss you everyday. I can't wait until I get to see you again. Tell all our family members and friends we will see them all again someday. Rest you soul in the sweet presents of Christ and know you are in our hearts always. I love you. PJ
