

Tia Crystal Vickery Bissette Parker

April 14, 1983 - November 25, 2016

Tia Crystal Vickery Bissette Parker, age 33, passed away at her grandmother's home in Wauchula, FL. on Friday, November 25, 2016. She was born in Wauchula, Florida on April 14, 1983, and has lived in Hardee county most of her life. Tia was a proud and loving mother. She supported her children's goals and always encouraged them, teaching them all that was important was pleasing God and that He would always be there for them. Her faith was truly her foundation and she knew He was her rock. She was strong and never failed to let others know that she credited God for giving her that strength. Of the many areas of employment she had engaged in, if you asked her what her occupation was, she would proudly tell you " Customer Service" as she truly lived to help others in all she did. When you took her out of the woods, you took her out of her element, her " oneness with God's creation" It would be hard to say if she enjoyed fishing or hunting most of all. Her children were raised loving those same things. If you've read this far, she wants you to know....God is AWESOME....don't leave this world without Him! Love your children, as He loves you! Tia is preceded in death by grandfathers Claude Harris Sr., and Wilbur Vickery, grandmother Lucille Vickery. She leaves behind parents Mommy Polly Bissette, Daddy Don Bissette, Dad Lester Vickery, grandmothers, Mary Lou Harris and Jeannie Vickery, daughter Daylin Parker, sons, Hunter Parker and Joshua Matthews, and her best friend Brandon Parker, brothers, Derek Bissette, Kyle Clanton, and Randy Lowe, sisters D'Gee Hodges, Gayle Valdez, Tiffany Clanton and Stephanie Clanton.
