“ I'm thinking of you today! I love you so much brother bear♡. You were forever my rescuer! You didn't care what anybody had to say, what battle you had to face, who you stood against! If anybody had my back, it was you. You loved me through the most painful times on my life! I'm so thankful for every moment we got with you. Your nieces STILL talking about you. Ay'Vah! Our little road dawg! Lol. I love you to no end!

“ You were such an awesome young man! Your smile would always light up the room! Never failed to give a hello hug, and a good bye hug and "I love you". When i would pass you on the road and shake my finger at you, you would turn around knowing you were gonna get the "be careful" speech! You always laughed at me, smiled, said "yes mam" then a hug and I love you and off you'd go. Don't think ill ever stop keeping an eye out for that white bike! I love you sweet boy! No more sorrow, no more pain. (Your big booty) Amy❤️

...stand strong and faced every test... Never flinched under pressure, nobody's perfect, you always gave it your best... Let down, talked about, even misunderstood... Walked a fine line when things... Even at home, you went hard for the wood... Auntie Ann as brother's best friend... You signed a spot in my heart, as a MAN... You were my Guardian Angel here, it was gods plan, I gotta please forgive my brother as he stands before you! He may have lived in sin, but I know his heart was true... A warrior no doubt he
