“ Please accepts my deepest sympathies at this most grievous time. It is always hard to lose a loved one especially someone so young. I am sure that the thought found in the Bible in Psalms 55:22 we can throw our burden to God and he will sustain us during time like these.

“ My memories are sweet and fun of Victor. He was a very special person. I adored him as my little cousin. We always shared jokes and laughed each time we talked. No matter how much time passed that we did not talk, it was like we talked just the day before. He is now with Jesus and dancing in heaven. I will miss you sweetie,,, love you and look forward to seeing you again....

“ Victor, I wished that I had got in touch with you when I got your address. I wanted to thank you for all you said and done for me in the past. You were such a young kid with a wise mind. You protected me like I was your little sister and for that I am forever grateful. Thank you and see you later my dear friend... To Victors Family, I pray God gives you the wisdom to get through this difficult time in you life. But remember, it's not goodbye, it's I'll see you later... Sincerely, Shannan
