“ Wanda was always an encourager. She had no give up in her. I have such fond memories of her on and off of the softball field. Her love for her family exceeded every worry she had. She was such a true blessing even when time and distance came between us.

“ One of my best childhood friends that I met when my family lived in Lakesdie, Montana! Wanda and I attended Lakeside Elementary School. We played theterball and loved cheerleading too. We were both big fans of singer, Cher and would sing the song "Half Breed". Those were one of the best times in my life. I also met her brother, Robert Farrow. I was sad when Wanda and her family moved to Florida but we stayed in touch over the years. Later, my family also relocated to Florida. Wanda was such a wonderful human being. She loves her 3 amazing daughters and grandkids. It is so hard to believe that she has left this world. Gone too soon! Rest in eternal peace my beautiful best friend 🙏🌸
